Dear Ethylu-

Will start out with the standard "having a wonderful time, wish you were here" We are enjoying ourselves immensely. Tomorrow morning we leave for home from Washington, D.C. You were right about the cost of the trip. So far it's not come near as high as $ estimated + we've gone 470.7 miles since we left. This is less than I expected for the whole trip. Tell all the girls Hello + I'll see you Saturday

Love Velma Stephens
